Yokohama  
Peace Circle

Your Voices  
Reach the  
UN

A report based on  
global dialogues will  
be released by the UN  
Secretary-General.  
(in September)

### Discussion Theme

## Building a Sustainable Green Society and Achieving Peace

Participants will be divided into groups of about ten to discuss the realization of a sustainable society and peace, and their voices will be delivered to the United Nations.

### Event Overview

**Date** **3 / 8 Sun** 9:30 ~ 12:30

**Capacity** Approximately 100 participants

**Eligibility** High school students, university students, vocational school students, and international students.

**Venue** Yokohama International Cooperation Center  
Pacifico Yokohama, 1-1-1 Minato Mirai, Nishi-ku, Yokohama

**Language** **Japanese** English interpretation support available if needed

### Perfect for those who:

- want to take part in UN activities!
- want to discuss issues from a global perspective!
- are interested in international peace and the SDGs!

### What is the UN's Peace Circle?

It is a platform for youth-led dialogue and action. The insights collected from these dialogues will contribute to the UN Secretary-General's report on youth's positive contribution to peace, planned to be published this year.
