The Yokohama Plan for Learning

~ You're the Star ~

Yokohama City is making a new plan for education in the coming years.
We want to include ideas from the general public to improve the plan.
So please tell us what you think!

Why does
that happen?

1

We're looking for things
that make students
ask "Why?"
Things that inspire them
to find their own answers.

I want to find out!

2

We want ideas that
everyone can enjoy,
ideas that make them
feel safe and comfortable.

Q Questions we want you to answer...

- ① What's enjoyable about school ?
- ② What would you like to try at school ?

Please tell us your thoughts!
