

CHARGES FOR USING FLOATING CRANES

Yokohama Floating Crane Association

045-241-8989

(Effective July. 1, 1993)

1. Basic Rates

	Per Hour	Minimum
60ton Floating Crane	¥ 68,000	(5 hours) ¥ 340,000
100ton (Under) "	¥ 96,000	(5 ") ¥ 480,000
150ton (") "	¥ 138,000	(6 ") ¥ 828,000
250ton (") "	¥ 208,000	(6 ") ¥ 1,248,000
300ton (") "	¥ 270,000	(6 ") ¥ 1,620,000

2. Additional Charges

(1) Overtime charges

05:00—08:00 50% extra

16:00—22:00 50% extra

22:00—05:00 100% extra

(2) Charges for Sunday, Saturday and Holiday service 50% extra

(3) Charge for over night stay at working area due to the earliest commencement of work on the next day shall be equivalent of 3 hours of the basic rate per one night.

NOTE: Use of Floating Crane

- Charges are calculated by hours, covering the time when a floating crane leaves for the place of work and its return trip to its base.

[Shifting Hrs. from base to operation place]

- Osanbashi pier · Shinko pier · North dock · Yamashita pier · Suzushige pier · Honmoku pier A1-A4 · Daikoku pier No.1 Landing platform, P1-P2 Both way 2hrs.
- Honmoku pier A5-A8, B, C, D · Daikoku pier P3-P4, T3-T8 Both way 3hrs.
- Daikoku pier C1-C4, L1-L8, T1-T2, T9 Both way 4hrs.
- Owing to user or ship's convenience, if the floating crane, after leaving its base, has to wait for ship's arrival or wait for starting operation, those hours delayed shall be computed as actual working hours.
- For cancellation of use on the date when crane ordered, 50% of the minimum charge shall be charged, when cancelled after the crane left its base, 80% of the minimum, and if the actual working hour cost should exceed the minimum charge, 80% of the actual hour amount shall also be charged.
- Towage is included in base rate, but for tugs sent for reinforcement purpose against the inclement weather, the towage shall separately be charged.
- When an additional tug boat is used for preventing the swing motion of the vessel while she is mooring to single buoy or at anchor, the charge of the tug boat shall be separately collectable.
- For waiting time resulted from tugging to the place of work after 19:00 hours, only overtime additional shall be charged, regarding the period from 19:00 to the time when the crane left its base as waiting time cost.
- Wiresling rental ¥400 per ton. (100 ton under) Wiresling rental ¥500 per ton. (100 ton more)
- Consumption tax shall be charged on the above rates.
